

TENASKA® DISTRIBUTED GAS HOLDINGS, LLC

Owner: Tenaska Distributed Gas Holdings, which is owned and managed by an affiliate of Tenaska

The six natural gas power generation assets are located in Northeastern Pennsylvania, four in Bradford County and one in each of Susquehanna and Wyoming Counties.

At a glance

The power generated by the six plants that make up Tenaska Distributed Gas Holdings (TDGH) is sold into the PJM Interconnection regional transmission organization to meet growing regional energy needs. The PJM Interconnection assures the electric reliability of North America's largest centrally dispatched grid.

Community impact

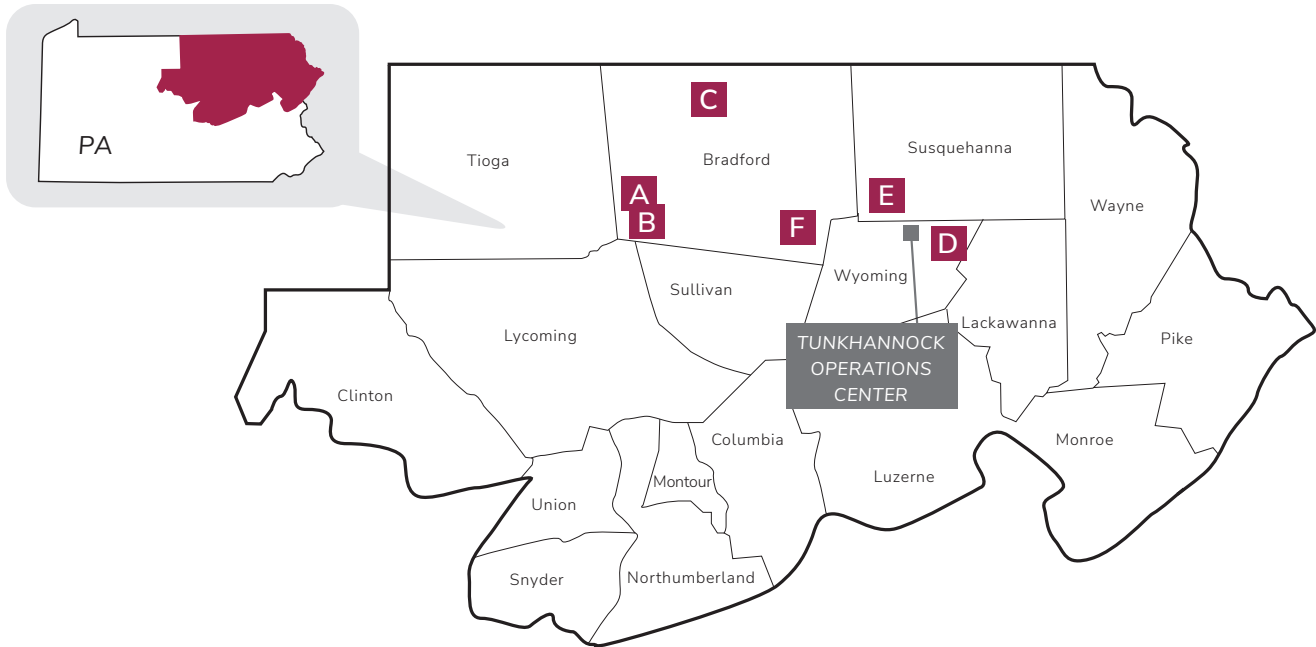

Community is a priority for Tenaska and our company and employees dedicate hundreds of hours and hundreds of thousands of dollars each year to positively impact the areas where we live and work.

In addition to community involvement, Tenaska sponsors a college scholarship program benefiting high school students who live near our power-generating facilities. To date, more than \$1 million has been awarded to more than 1,000 students.

Network of assets

The six ~21 megawatt (MW) plants share a similar design and are all located in Northeastern Pennsylvania among three adjacent counties. This includes an office/warehouse for TDGH energy services covering each plant.
